Admissions (First) Degree Exemplification

This section provides information on how to properly prepare for and exemplify the Admissions (formerly First) Degree of our Order.

Grand Knight Responsibilities

- The Grand Knight (GK) is responsible for the preparation and performance of the Admissions (First) Degree Team.

- The GK is the Team Captain; however, he may delegate the authority, **BUT NOT THE RESPONSIBILITY**.

- Even though the GK is ultimately responsible for Admissions Degree books in his council, the Financial Secretary (FS) is responsible for the Admissions Degree books as outlined in the letter received from the Supreme Director of Ceremonials accompanying the books.

Ceremonial Books/DVD

- Ceremonial books for a new Degree team are obtained upon request by the Grand Knight to the District Deputy to the State Ceremonials Chairman. The State Ceremonials Chairman reviews the request and if everything is in order forwards the request to the Supreme Secretary. Ceremonial books are registered by council; therefore, the FS will maintain custody of the Degree books.

- Tattered or worn books may be returned to the Supreme Council and replaced when requested through the State Ceremonials Chairman.

- If a Council does not have a Degree Team or the Team is unavailable when candidates are ready to take the Degree, the Exemplification may be conducted via a DVD available from Supreme.

Certification of a First Degree Team

- When the Team indicates they are ready for certification the:
  - GK requests certification by the District Deputy (DD).
  - DD will review and evaluate the team during a rehearsal, inspect the paraphernalia and equipment, and complete the certification report.

- DD will forward the certification, Form 543, to the Supreme Secretary via the State Ceremonials Chairman.

- DD will certify back-up members when the GK presents them as ready for certification.
GK will provide to the DD at the beginning of each Fraternal Year a list of all Members Certified for the speaking parts. The GK will keep this list current throughout the fraternal year.

**Note:** While it is preferred the Admissions Degree Team memorize the Degree script, it is **not** a requirement. Admissions Degree Team members **may** read the script if necessary to ensure the dignity and presentation of the Degree.

### Admissions Degree Date Selection

- The Admissions Degree will be exemplified during a council meeting. It will not be exemplified with any other degree or at any other time without specific permission of the State Deputy.
- GK will establish and distribute the council’s Admissions Degree schedule for the entire fraternal year.
- GK will provide his council’s Admissions Degree schedule to the DD no later than the date of the State Council Organizational Meeting in July.
- GK will keep the DD current on all changes, deletions, or additions to the council’s Admissions Degree schedule.
- Any changes to the council’s Admissions Degree schedule, including cancellations, **must** be approved by the DD.

### Grand Knight and District Deputy Responsibilities

The GK and DD are responsible for ensuring the council’s Admissions Degrees are exemplified in a dignified and professional manner. Following are the responsibilities of the GK and DD.

- Ensures that all team members and dignitaries are introduced immediately following the Degree.
- Selects an Honoree for each Admissions Degree in his council. Following the Degree, he presents the Honoree with a certificate signed by all candidates prior to the Degree.
- Submits the Council Admissions Degree Exemplification Report Form 450-C to the Supreme Council, with copies to the State Deputy and District Deputy. This may be delegated to the FS for accomplishments.
The **District Deputy**:

- Explains the Lesson of Charity, the Principle of the Admissions Degree at the conclusion of each Admissions Degree in his district.
- Reviews, evaluates, and certifies all Admissions Degree teams in his district.
- Coordinates Admissions Degree schedules in his district to ensure candidates receive their degree in a timely manner.
- Forwards Admissions Degree schedules (and any revisions within his district) to the State Ceremonials Chairman.

Explanation of the Third Degree Emblem

As stated earlier in this Handbook, the Grand Knight is responsible for reading the following script at the conclusion of each Admissions Degree held at his council.

Explanation of the Third Degree Emblem Script

The emblem of the Order dates from the second Supreme Council meeting on May 12, 1883, when it was designed by James T. Mullen, who was then Supreme Knight.

A quick glance at the emblem indicates a shield mounted upon a Formee Cross. The shield is that associated with a medieval Knight. The Formee Cross is the representation of a traditionally artistic design of the Cross of Christ through which all graces of redemption were procured for mankind. This then represents the Catholic spirit of the Order.

Mounted on the shield are three objects: a fasces standing vertically, and, crossed behind it, an anchor and a dagger or short sword. The fasces from Roman days is symbolic of authority which must exist in any tightly-bonded and efficiently operating organization. The anchor is the mariner’s symbol for Columbus, patron of the Order, while the short sword or dagger was the weapon of the Knight when engaged upon an errand of mercy. Thus, the shield expresses Catholic Knighthood in organized merciful action, and with the letters, K. of C., it proclaims the specific form of activity.

The colors are Red, White, and Blue.

Red is then the symbol of Faith, of belief in Christ, in the Redemption and in the Knowledge and love of Jesus Christ. White is the color of the Eucharistic Host, pledge of God’s Eucharistic presence among men, of the infinite love God has for man and the overwhelming affection which the God-man has for each individual. White is then the symbol of Christ-like Charity. Blue is the color of our Lady’s mantle, in which she wrapped her beloved Son, through Whom came salvation to a sinful world. Blue is then the symbol of Hope.
The Lesson of Charity, Principle of the Admissions Degree

As stated earlier in this Handbook, the District Deputy is responsible for reading the following script at the conclusion of each Admissions Degree held in his district.

The Lesson of Charity Script

Brothers, tonight you have received the Lesson of Charity, the principle of the First Degree.

Charity is not only the principle of this Degree, but the exercise of Charity is an expression of our commitment to the command of our Catholic Religion that we love one another and help those most in need. Everything that we do in the Knights of Columbus flows from Charity, from our support of the Priests and Bishops, to Church, Family or Community activities, to support of our Youth and Council sports programs and social events. Everything that we do is an exercise of Charity.

We want you to know that the Virginia Knights of Columbus takes our Commitment to Charity most seriously. In addition to responding to natural disasters and other emergencies that arise from time to time, the State Council has established two major charities, which are managed as separate corporations. They are KOVAR and Virginia Knights of Columbus Charities, Inc., or VKCCI. You will hear these names frequently as members of the Knights of Columbus. KOVAR was established in 1971 to assist Virginia citizens with Mental Retardation, now referred to as Persons with Intellectual Disabilities or “God’s Special People”. You have all seen our volunteers in yellow vests giving away Tootsie Rolls and collecting donations at storefronts and after Mass at Church in the Spring. KOVAR makes grants and loans to Organizations that work to improve the quality of life for citizens with Intellectual Disabilities who cannot provide for themselves. KOVAR, however, can only give to tax-exempt organizations rather than directly to individuals.

The second major charity is Virginia Knights of Columbus Charities, Inc. (VKCCI). The State Council established VKCCI in 1994 in order to meet the needs of individuals and families facing emergency situations. Councils identify persons in need and VKCCI makes grants to Councils to meet emergency needs for such things as food, rent and utility payments, among others. VKCCI’s principal source of funding is the Annual Label Campaign which offers attractive mailing labels bearing the Knights of Columbus emblem to all Virginia Knights. A second source of income is the Annual Council Contribution Program where individual Councils donate directly to VKCCI from Council funds and special fund raising events.

Brothers, we encourage you to become active in all the charitable efforts of your Council and of the State Council. In particular, we ask that you enthusiastically support your Council’s participation in VKCCI and KOVAR. You will find your reward in having helped those persons who are most in need and cannot help themselves.

### Hosting Requirements for a Knighthood Degree Exemplification

This section provides the facility and meal requirements to which host councils must adhere.

#### Facility Requirements

- No other activities (classes, meetings, etc.) other than those associated with the exemplification of the degree should be scheduled or take place within the facility being used for the degree. Other than candidates, only Third Degree members of the K of C will be in the facility and/or assisting in the activities involved with the degree.

- Four areas (rooms) are to be available for use during the degree: Team Preparation/Storage Room, Ante-chamber, Chamber, and a Debriefing Room for the team. The first and last rooms mentioned may be combined. Additionally, the facility should include the capability to provide food and beverage, if necessary, for the team and State Officers (without encumbering the Chamber and/or Antechamber) and, if necessary, the post-degree meal for all in attendance.

  - **Team Preparation/Storage Room**
    - A "secure" space will be provided that is large enough for the team to unpack its equipment and paraphernalia, and properly prepare for the degree (a space approximately the size of a normal class room is adequate).
    - Upon the team's arrival, this room should be available for the team to move all equipment, etc., into it and for the team members to prepare for the degree without fear of compromise by any candidate.

  - **Ante-chamber (A/C) for Candidates**
    - The hosting council is responsible for the proper preparation of the A/C prior to the arrival of the Degree Team.
    - The A/C will have a separate entrance from the outside of the facility to be used only by candidates.
    - The A/C should be well separated from the Chamber and spaces being used by the team.
- Cell phones, pagers, beepers, etc., are not permitted in the A/C. The host District Deputy will ensure that candidates have been briefed concerning this matter prior to their arrival and will provide a sign to inform/remind candidates prior to their entering the A/C.

- The A/C should have some heat and/or air conditioning (weather dependent); the A/C is not to be used as a "Hot Room" or "Cold Room".

- A "sign-in" table will be positioned outside the A/C for the candidates to register for the degree.

- Upon arrival, the Team Warden, and CO will inspect the A/C and its entrance to ensure that they are properly prepared and located. The hosting DD and GK should avail themselves to effect corrections as necessary prior to the entrance of the first candidate.

  o Chamber

  - The host council is responsible for the preparation of the Chamber prior to the arrival of the Degree Team.

  - The size of the Chamber is important; too big or too small is unacceptable.

  - Large halls/gyms where only half of the room is used are very hard to work in; while too small a space creates a cramped atmosphere.

  - The ideal Chamber should accommodate the number of chairs required, i.e., one for each candidate, a row of chairs behind the candidates for observers, and approximately 15 feet of open area behind the observer's chairs. Additionally, ample space at the front of the chamber for the layout of the "head" table and movement of the conferring officers.

  - All windows in the Chamber and/or its doors will be covered so the Chamber may be made dark during certain portions of the Degree.

  - All unnecessary chairs, tables should be removed from the Chamber prior to the start of the degree.

  - Sign-in lists for all attending the degree, other than candidates, will be positioned outside of the Chamber. The tables used for this purpose are not to be the same as used for the sign-in for the ante-chamber.

  - The entrance to the Chamber will be separate from that used for candidates entering the ante-chamber and will be so located to enable the team and other attendees to enter the Chamber without be observed by any candidate.

  - No interruption or rearrangement of the Chamber will take place until the degree (including remarks and presentations by the State Deputy and hosting District Deputy) is concluded.

  - NO REARRANGEMENT OF THE CHAMBER WILL BE MADE UNTIL AFTER THE HOSTING DISTRICT DEPUTY CLOSES THE MEETING.
Debriefing Room

- This room should be large enough to accommodate all members of the team plus the CO, PFC, State Deputy or his representative, and the Debriefing Officer.
- The room should be located so that a "private" debrief may be conducted without interference from any other activity.
- This space may be the same as the Team Preparation/Storage Room if it meets both rooms’ requirements.

Meal Requirements

- The kitchen facilities should be located so as not to interfere with the conducting of the degree. Kitchen crews are to take particular care so as not to cause noise or disturbances while the degree is being conducted (this includes the post-degree introductions and State Deputy's remarks).

- **Breakfast:** As necessary, a breakfast will be provided for the Team members, including the CO, PFC and State Officers. Any additional brothers to be served will be solely at the discretion of the State Deputy and/or his representative. Further, members of the hosting council supporting the conducting of the degree will be also be served at the discretion of the host Grand Knight.

- **Post-Degree Meal:** As necessary, food and beverage may be provided to all those that have been in attendance for the degree.

- NO ALCOHOLIC BEVERAGES OR FOOD (other than the pre-degree breakfast) WILL BE SERVED NOR WILL THERE BE ANY REARRANGEMENT OF TABLES, CHAIRS, ETC., IN THE CHAMBER OR ADJACENT SPACES UNTIL AFTER THE STATE DEPUTY, OR HIS REPRESENTATIVE, HAS GIVEN HIS REMARKS AND THE HOSTING DISTRICT DEPUTY CLOSES THE MEETING.

Closing the Knighthood Degree Exemplification and Introducing Dignitaries

This section provides the order of protocol for introducing dignitaries after the Knighthood Degree Exemplification.
